RE: [REDACTED]  
I-485, Application to Register Permanent Residence or Adjust  
Status

**REQUEST FOR EVIDENCE**

**Why We Are Writing You**

On 03/23/2016, you submitted your Form I-485. We are writing to inform you that we need more information from you to make a decision on your case. Please read this letter carefully and follow all of the instructions below.

**What You Need To Do**

You must provide the following information in order for us to make a final decision on your case.

- Starting June 1, 2014, USCIS changed the policy on Form I-693, Report of Medical Examination and Vaccination Record. The new policy states that all Forms I-693 are valid for only one year from the date submitted to us. The policy also states that the Form I-693 must be submitted within one year of the medical exam. The Form I-693 that you submitted does not meet both of these requirements. Please return to a USCIS Civil Surgeon to have a new medical exam. You must submit the new original form and any original supplement completed by the Civil Surgeon to us. You and the Civil Surgeon must sign the form, and it must be sent to us in a sealed envelope from the Civil Surgeon. If the Civil Surgeon refers you to a specialist, the exam by the specialist must be included, and the specialist must complete the proper sections of the Form I-693.

**When You Need To Do It**

You must send the requested information by mail to the address shown below by July 27, 2017.

You must submit all of the requested evidence at one time. If you submit only part of the evidence, we will make a decision based on the evidence that you submit. We will not consider any evidence that is submitted after the due date. If you do not respond to this request by the date shown above, we will deny your case.
